# THE MILESTONE EXPERIENCE

## MORE THAN JUST VENUE BOOKING

Congratulations on booking your dream wedding venue! This marks a significant milestone in your journey. Now, as you embark on the next steps, it's time to engage a wedding planner or coordinator to guide you through the process.

Milestone will help you to understand the various types of planners and their roles, such as full-service planners, day-of coordinators, partial planning, and month-of planners.

# THE MILESTONE PROCESS MAP

## Step One: Venue Booking

## Step Two: Vendor Matching

# STARTING THE PLANNING PROCESS STRONG

Determining the level of assistance you require can be daunting! That's where our expertise comes in. Through a personalized consultation, we'll evaluate your preferences, vision, and overall requirements to match you with the ideal planner who aligns with your style, budget and expectations. No need to take a shot in the dark when selecting one of your most essential vendors!

# PLANNING CONSULTATION PROCESS

**Step 1:** Schedule a complimentary consultation call with our vendor planning expert. During this discussion, we'll delve into your preferences, budget, and overall vision to understand your unique needs. Fill out our planning questionnaire to help us get to know you!

**Step 2:** Our team will leverage our portfolio of planning partners to identify the best matches for you. We'll consider factors such as budget compatibility, personality fit, experience level, and package offerings.

**Step 3:** You'll receive a tailored selection of top planning partners, hand selected to fit your needs. Explore their website, view their package details, and ask Milestone any questions prior to reaching out.

**Step 4:** Finally, you and your partner will have the opportunity to connect with the selected planners, review proposals, and ultimately choose the perfect fit for your wedding day.

Our process ensures a personalized, stress-free, and enjoyable planning experience tailored to your needs. Let us handle the research and vetting process, so you can focus on creating unforgettable memories.
